

PEELS

SKINMEDICA ILLUMINIZE PEEL \$125

Often referred to as the "Red Carpet Peel" this milder formula is appropriate for individuals seeking a gentle, superficial peel. Significantly improves the color and texture of your skin. This is a great choice for first-time chemical peel patients.

LACTIC PEEL \$125

As the name implies, the main ingredient in this mildest of peels is lactic acid, derived from milk products. Lactic acid peels are ideal for the first-time patients as well as those who are pregnant or have sensitive skin.

SKINMEDICA VITALIZE PEEL \$150

One of our most popular peels, Vitalize Peel is a great option to treat fine lines, large pores, brown spots, and early signs of aging to reveal a smoother, more youthful complexion. Add TNS Essential Serum to your skin care regimen to boost your peel results.

THE PIAZZA PEEL \$220

If you have more severe discoloration or skin conditions, you might opt for The Piazza Peel, which offers a deeper peel to address more advanced wrinkles, age spots & roughness. This does result in slightly more discomfort and skin peeling, but improvements can be dramatic.

APEELE \$250

This is a powerful yet non-invasive approach to chemical peeling using a synergistic combination of beta hydroxy acids, salicylic acid, phenol, retinoic and TCA 10%. Ideal for patients with deep lines and moderate to heavy pigmentation.

LASER TREATMENTS

INTENSE PULSED LIGHT THERAPY \$250 PER TREATMENT AREA

Safely and comfortably fade the appearance of rosacea, spider veins, brown spots, small blood vessels, unwanted scars, age spots, uneven skin tone and skin imperfections caused by sun damage.

LASER HAIR REMOVAL BY CONSULTATION

Laser hair removal can remove unwanted hair by means of exposure to pulses of laser light that destroy the hair follicle. Treatment varies on area and number of treatments the patient may need.

PREGNANCY AND NURSING MOTHERS

GET YOUR GLOW ON PIAZZA STYLE! \$325

Lighten and brighten your skin with this combination treatment. Hyperpigmentation and dull skin is a common side effect of pregnancy. Dermaplaning paired with a mild lactic acid peel and your take home Lytera & Vitamin C&E Complex will have you on the road to bright beautiful skin.

PIAZZA ACNE TREATMENT FACE \$125 • BACK \$125 • BOTH \$175

Often times during pregnancy women experience an overproduction of oil which happens when certain hormones go into overdrive. Fortunately, you're not at the mercy of your hormones. A lactic peel is a safe way to calm and relieve these symptoms.

BROW SHAPING/TINTING

EYELASH TINT \$25 **EYEBROW SHAPING** \$25

EYEBROW SHAPING WITH CUSTOM TINT \$50

SLEEK^{3D} BROWS \$75 - \$150

3 dimensional and non invasive. The look is tailor-made for each person and suitable for those with full natural brows and those who suffer from partial or complete loss.

MEDICAL GRADE SKIN CARE TREATMENTS

DERMAPLANING \$100

Dermaplaning removes 2-3 weeks of dead skin cells and unwanted peach fuzz, while reducing the appearance of fine lines and pigmentation. Finish this with an illuminize brightening treatment for exceptional results.

HYDRAFACIAL MD® \$130

By combining cleansing, exfoliation, extractions, hydration, and antioxidants simultaneously, HydraFacial MD is the newest advancement in non-laser skin resurfacing.

DERMAPLANING/CHEMICAL PEEL/HYDRAFACIAL MD \$175

Combining a chemical peel or HydraFacial MD® with dermaplaning enhances product penetration for more dramatic results.

MICRONEEDLING \$300 • PACKAGE OF 3 \$750

Also known as Collagen Induction Therapy, this is an innovative skin rejuvenation treatment that initiates the production of new collagen and elastin fibers that thicken the skin and reduce the appearance of wrinkles, acne scarring, sun damage, and stretch marks. For superior results, use our #1 doctor recommended growth factor for TNS recovery complex.
